Re: 8th Grade Field Trip

Lafayette Christian Academy is planning to take the 8th grade classes to Washington DC and Tennessee during the 2025-2026 school year. We will travel via chartered coach bus(es). The seven-day trip will cost approximately \$1,700/person including food. Chaperones will be needed. To help keep the cost of the trip down, we will allow fathers with sons and mothers with daughters to apply to be chaperones. There may be limited seating available.

Start raising funds during the summer months. Mowing lawns, babysitting, and garage sales are excellent ways in which your child can participate in earning his or her own funds. The first deposit will be approximately half the cost of the trip and will be due in mid-September.

The DC field trip is a fun, educational, once-in-a-lifetime experience that you do not want your child to miss. It is tentatively scheduled for March 28 – April 3, 2026. More information regarding the trip will be given during the mandatory meeting on August 18, 2025.

In His Service,

Mr. Broussard

Elementary/Jr. High Principal
